Dedication...

The class of 2009 would like to dedicate their yearbook to their class advisors, Mr. Kodra and Mrs. Cote. Always there for the class, the advisors for the class of 2009 have been nothing but excellent in helping the class get through the many events of senior year. Both Mr. Kodra and Mrs. Cote helped the class win Winter Carnival in 2009 and helped the class to benefit from successful fundraisers. In addition, the advisors ensured that a great time was to be had by all at both the Winter Ball and the Senior Semi Formal. Not only hard-working and motivating, the advisors of the class of 2009 have been fun and always made sure the students had smiles on their faces. We would not have as great of a class if it were not for these two great class advisors! Thanks to Mr. Kodra and Mrs. Cote for getting our class through the tough times and making sure the class had many days of fun including graduation and the class trip. Because of the advisors, the class of 2009 can say that not only did we have an awesome senior year, but our whole high school career was unforgettable! We will remember it always!

A special thanks to our class officers Allie, Emily, Chris, and Cody. They all worked hard to ensure that the class of 2009 had a great senior year. The officers were clearly dedicated to class and did all that they could for the senior class. The year was full of memories of many amazing times including Winter Carnival, the Senior Semi, the class trip, and graduation. These and our many other memories will stay with us always. When we think back about the class of 2009 and our senior year, we will be glad to have been part of such a great class. It will be good to know that the memories we have created will be with us to look back upon and make us smile. Thanks 2009 and good luck to all of you!

Starting in June of 2008, Coach Reidy was determined to make the Millbury Varsity Cheerleading team champions. The fall season started early. The team practiced hard and long in order to have a successful season. The girls spend many of their Friday nights cheering at the football games. These games helped the girls practice their stunts and jumps in front of a crowd before their competition season started. Once the competitions started, the girls were ready to go! They performed great and every single cheerleader did well. It was a positive learning experience that really prepared the girls for the winter season where they excelled. Captains: Melanie McCarrison and Jessica Franchi pushed the girls hard throughout the season to make them the best that they could possibly be.

The Millbury Woolies took the field with a new look in 2008. Coach Friedman took over the coaching reigns, replacing legend Dave Palazzi. The Woolies capped off another dominating regular season. Though dropping a fifth straight game to rival Auburn, Millbury finished second in Division 2 East, earning a second straight playoff appearance. The Woolies played well but Millbury lost a heartbreaking game to undefeated Tintaugus Regional via a "pick-6" with forty-seven seconds left to play. The Woolies graduate an extremely athletic senior class that the school will miss very much. They wish all the best of luck to the underclassmen for another successful season next year.

This year the team ended the season in the quarter finals for districts, with a great record of 15-7. The team was led by Coach McKeon, and five senior captains. They all came through and met their goals. They made it to districts, made it to the second round, achieved a better record than last season, and beat some of their toughest opponents. Along the way, the girls made many memories. There's a lot of things the team will never forget- like when they left a teammate at a different school, their pizza party, and the infamous "volleyball bus accident" coming home from BVT. All of these will stay with the girls. Regardless, the players never let anything hold them back and they all learned that nothing is impossible this season, so never give up. Goodluck to the team's five captains/seniors: Erica, Melissa, Steph, Alicia and Kirsten. The team will miss you all!

Many cheerleading teams of the past had hoped to achieve this goal, but only a few ever came close. This year's team, led by captains Melanie McCorison and Jessica Franchi, was different. Through dedication, hard work, and perseverance the girls were able to reach this tremendous goal. They won the High School Division and mixed Grand Champions by 0.05 of a point at Nationals. In addition, the team had a first place finish in both the SWCL East Championship and the Xtreme Spirit National Championship. They also placed second in the Central Mass Regionals.
